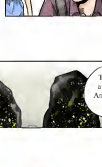
The Descending Moon
at the Foot of the Mountain

달이 내린 산기슭

Jang-Won Son

#026



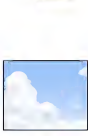
T/N: Mirinae means milky way in Korean.

So... the person who was working in the mine of Tae Baek before, thought that it was gold and he collected a lot of it.
He kept finding this stone and he thought that he was going to be a rich man, so he didn't think the mining work was hard at all.

So his descendants took this story as a lesson and worked hard and became rich. That's the legend.
Oh, hoo.
I think I've heard this story before, too.

Sfx. Shaa

Yes, I don't know where it came from, but one of my ancestors could have been a mine chancier or a legend like that as well. Hahahaha



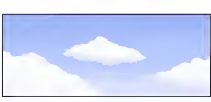
Sfx. Ching

Sfx. Open

Yes. I hope you have a good journey. Goodbye.
Oh… then goodbye.

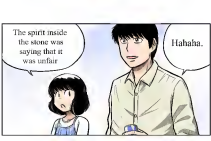
Goodbye. I hope you write good stuff.

Haha. Thank you.



That stone...

Was it real gold?
Yeah.



The spirit inside the stone was saying that it was unfair
Hahaha.

He put his own versace of the meaning into it and lived well.

Right.
If he knows that and is satisfied with it, then that's good, too.

We shouldn't interfere.

Right.

We are.

Where are you going now?

Hm. I haven't thought about it
What?

We arrived here earlier than I thought.
We did?

To be continued…
